

Product Discontinuation Notice (PDN)

Ref No: POW_MON_ACE1-827_PO_UV_0001_01_EN

October 30, 2018

Dear Valued Customer,

This notice is to inform you that ADB Safegate will discontinue the manufacturing of the **ACE1 – Distributed Control and Monitoring Unit** listed in the “Product Transition Table” included in this notification. The products contained in this notice are part of our annual product portfolio review process.

In accordance with ADB Safegate product discontinuation policy, we are hereby giving notice of these changes so that our customers and trusted partners can adjust their product purchasing records, or make any final lifetime purchases of discontinued product(s) to support their operations.

Product Transition Table	
Product Name	ACE1 – Distributed Control and Monitoring Unit
Reason(s) for Discontinuance	End-of-Life (EOL) stage
Last time buy deadline	December 30th, 2018
	Last day to order complete products. Orders for discontinued products will not be accepted after this date.

Product Discontinuation Notice (PDN)

Spare Parts

The table below shows spare parts that were available for the previously referenced product for a limited time. The list is based on common spare parts for this product, as shown in the manual or on the catalog sheet. While ADB Safegate will make every effort to maintain spare parts until the “End-of-Support” deadline, this will depend on the availability of older technology components. We highly encourage airports to stock an adequate quantity of recommended spare parts.

Spare Parts Table		
Part Number	Description	Notes
