Additional information :

- Technical file connector kit: Connector kit CKE52, FAA L-823 Plug and Receptacle, Cable Connectors

Various samples of CKE connector kits in order to cover different type and manufacture of resin have been tested and found to be generally in conformity with:

FAA L-823: AC 150/5345-26E/2021

as shown in the test reports LA 23/0097-1

This Certificate of Conformity is the result of testing a sample of the product submitted, in accordance with the provisions of the relevant specific standard. It does not imply an assessment of the whole production. Conformity of the produced products with the specimen tested remains on the full responsibility of the manufacturer.
