

# Product Phase Out Notice

## Spare Parts Support Stage End Notice

Dear Valued Customer,

This notice is to inform you that following to the earlier Product Discontinuation Notice ADB SAFEGATE has discontinued the manufacturing and supplying the following products and corresponding spare parts.

Product	Application
PVL IP54	Airfield Guidance Sign IP54

In accordance with ADB product discontinuation policy, we are hereby giving notice of these changes so that your purchasing records can be adjusted accordingly.

For several of the spare parts remaining available in our stock (availability to be confirmed upon request) ADB SAFEGATE is giving its customers opportunity for a final lifetime purchase. Please review the APPENDIX A for the full spare part discontinuation strategy.

The ADB SAFEGATE Sales Representatives stand ready to answer any questions you may have, assist you with any final orders or identify alternative products and solutions.
