

## Aerodrome lights

Issued to

**ADB Safegate BV**

Leuvensesteenweg 585, BE-1930 ZAVENTEM, Belgium

**Product name**

ETES/1RMOC & ETES/1WMOC Taxiway Edge Omnidirectional Light (Blue)

**Certificate**

The product(s) described in this certificate have been type-examined by RISE with regard to the **chromaticity coordinates and luminous intensity** distribution and found to fulfil the requirements specified below. The type examination is presented in full in test report 105105-1210991-1rev1, dated 2023-10-02.

**Product description and specification**

**Products tested:**

ETES/1xMxC Taxiway Edge Omnidirectional Light - Elevated (Blue)

Note: x indicates variants without impact on photometry or chromaticity characteristics

**Requirements:**

Standard	The chromaticity coordinates have been measured in accordance with the requirements in:	The luminous intensity has been measured in accordance with:
ICAO Annex 14 Aerodromes, Volume I, Ninth Edition, July 2022	Appendix 1, Section 2.1 Chromaticities for aeronautical ground lights (solid state-type light sources).	Section §5.3.18.7 – 8 Taxiway edge lights
European Aviation Safety Agency - Certification Specifications and Guidance Material for Aerodromes Design, Issue 6, March 2022	Section U.930(d), Figure U-1B, Colours for aeronautical ground lights (solid state lighting)	M.720 (c) Taxiway edge lights
Australian Government, Civil Aviation Safety Authority Part 139 (Aerodromes) Manual of Standards, 2020	Section 9.15, Chromaticity for solid state (LED) lights	Section 9.93 Characteristics of Taxiway Edge Lights
TP312 Aerodrome Standards and Recommended Practices Land Aerodromes, 5th Edition, September 2015 (Canada)	Appendix 5A, Section 1.3.1, Colours for Aeronautical Ground Lights	Appendix 5B Aeronautical Ground Light Characteristics, Table 5B-1
NATO STANAG 3316 AATMP-07 STD Edition A Version 1/2018	Section 8.3 Colours of Lights, Signs and Panels.	Chapter 5 Taxiway Lighting
Civil Aviation Authority CAP168 Licensing of Aerodromes, Edition 12, January 2022 (United Kingdom)	Appendix 6A, Figure 6A.23 Colours for aeronautical ground lights (solid state lighting)	Appendix 6A Aeronautical ground lighting characteristics, Table 6A.1
AENA DIN/DSEYN/PPT/XXX where XXX is one of: 010, 011, 012, 013, 016, 017, 018, or 022 (2012) (Spain)	AENA, DIN/DSEYN/PPT/017-04/12, which refers to BOE 178 FOM/2086/2011, Apendice 1	AENA, DIN/DSEYN/PPT/017-03/12, which refers to ISO/TS 61827

**Validity**

This certificate is valid until not later than 2028-10-04. The validity of this certificate can be verified by RISE.

**Miscellaneous**

Other terms and conditions are set out in RISE certification rules for type-examination, SPCR 123.
