Reminder End of Spare Parts Support for PVx Guidance Signs

End of Spare Parts Support Reminder

Dear Valued Customer,

Following to the Product Discontinuation Notices for the Airfield Signs series PVH, PVO, PVL IP34 and PVL IP 54 hereby we remind about the upcoming deadline for the last time buy opportunity for spare parts corresponding to the PVx range.

In APPENDIX A we provide the overview of spare parts undergoing full discontinuation and those which remain available until stock depletion or remain available due to compatibility with other products.

In APPENDIX B we are offering the stock of finished signs which could be of interest to the customers with the installed base (panel message could be customized to the Airfield) or used as part donors.

Parts which get obsoleted will be discarded of in Q4 2023. We encourage the Customers to place the last time orders before the deadline.

Discontinuation Planning

Product Name	<i>PV* - Airfield Guidance Signs</i>
Reason(s) for Discontinuance	Reduced sales, obsolescence of technology and availability of replacement products
End-of-Support deadline	30 November 2023
	After this date spare parts will no longer be available for warranty or non-warranty support, and technical support will be limited to fee-based repair work.

Replacement Product

Discontinued Part Numbers	Replacement Part Number
1PV*	- Reliance Guidance Signs, LED https://adbsafegate.com/products/airfield/signs/reliance-signs - RPV – retrofit kit for PVH/PVO signs

Last-Time Buy Conditions:

- All purchase orders for last -time buys are non-cancellable and non-returnable.
- For orders for only spare parts, a \$150/€150 order minimum is required.
- Leadtime of the spare parts will be confirmed upon order confirmation.
- During the final stage of a Spare Part Supply phase ADB Safegate can no longer guarantee full support for the affected products. Spare parts are provided depending on the available inventory; repair and replacement services also depend on component availability.

APPENDIX A: Spare Parts Availability

The table below shows the PVL-series signs spare parts and their discontinuation strategy. Stock availability is provided. Until the Spares Support End Deadline all spares remain available. After the deadline only the spares marked as *Remain available* are going to be available until further notice (green). Spare parts marked as *Discontinue* and *In stock* are going to be available from stock and will be disposed of by end of 2023 (yellow). All spare parts are subject to availability.
