

ADB SAFEGATE

**PRODUCT DISCONTINUATION NOTICE UPDATE**  
**AD-lights DTS/DTC/DFS/DRC/DTZ**  
**Normal Protrusion (Style II)**

# Product Discontinuation Notice Update

*Dear Valued Customer,*

*This notice is to inform you that ADB SAFEGATE has discontinued the sourcing and supplying of all fittings and is reducing availability of some of the spare parts from the **AD-lights AD-lights DTS/DTC/DFS/DRC/DTZ NP style II** family.*

*In accordance with ADB SAFEGATE product discontinuation policy, we are hereby giving notice of these changes so that our customers can adjust their product part number purchasing records or make any final lifetime purchases of spare parts to support their operations.*

*Our portfolio of inset fittings has evolved and currently AXON-range can be offered using the most modern LEDs-engines enabling highly efficient light output and long operational lifetime. In the past years since the first phase out announcement we have been accumulating stock of components to secure the customers' needs. Currently, we have been confronted with the fact that the installed base of AD-lights NP can be supported only for as long as our stock of light engines lasts due to obsolescence. In the event if a full replacement fitting would be needed, we will gladly offer successor fitting i.e. AXON.*

*In this notice below you can also find the necessary details about the successor product, and last time buy conditions.*

*We regret the inconvenience and impact this notice may cause. ADB Safegate Sales Representatives stand ready to answer any questions you may have or assist you with any final orders or alternative solutions.*

*ADB SAFEGATE

## Discontinuation Planning

<b>Product Name</b>	<b>AD-lights NP</b>
<b>Reason(s) for Discontinuance</b>	Parts obsolescence.
<b>Last time buy deadline</b>	<b>30 June 2019</b>
	The last time buy deadline has passed. ADB Safegate is not supplying new fittings anymore for except for selected regions.
<b>End-of-Support deadline</b>	<b>30 June 2024 except for selected regions</b>
	Spare parts support stage is offered for the spare parts listed in the Spare Parts section. Spare parts are subject to availability for selected regions.
	After this date, availability of the spare parts will be reduced to the ones which are common with other products of ADB SAFEGATE.  Customers are strongly advised to replenish their stock of key spare parts before 31 December 2024.  In case of spare parts including an obsolete component, the ADB SAFEGATE sales representative shall assist providing a solution based on replacement products, listed below.

## Replacement Product

<b>Discontinued Part Numbers</b>	<b>Replacement Part Numbers</b>
<b>AD-light NP (style II)</b> Order codes fitting to the key: <i>DxxxxxxxAxxxxx1</i>	<b>AXON lights (Style III)</b> <a href="https://adbsafegate.com/products/airfield/">https://adbsafegate.com/products/airfield/</a> Order codes fitting to the following keys: <ul style="list-style-type: none"> <li>• RSTK*1</li> <li>• RSTW*1</li> <li>• RSTR*1</li> <li>• RSSB*1</li> <li>• RSRC*1</li> <li>• RSRZ*1</li> <li>• RSRY*1</li> </ul>

### Last-Time Buy Conditions:

- All purchase orders for last -time buys are non-cancellable and non-returnable.
- For orders for only spare parts, a €150 order minimum is required.
- Leadtime of the spare parts will be confirmed upon order confirmation.
- During the final stage of a Spare Part Supply phase ADB Safegate can no longer guarantee full support for the affected products. Spare parts are provided depending on the available inventory; repair and replacement services also depend on component availability.
