End of Support Notification

Dear Valued Customer,

*This notification is to inform you that ADB Safegate has now discontinued service and spare parts support for the **IDM 5196 and IDM 6005 – Halogen Precision Approach Path Indicator systems.***

In accordance with ADB Safegate product discontinuation policy, we hereby notify of these changes so that our customers can adjust product part numbers in their purchasing records.

As of the date of this notification, the successor product RELIANCE PAPI <https://adbsafegate.com/products/airfield/approach-lighting/reliance-led-papi-l880-l881> will be the product that ADB SAFEGATE is offering for the PAPI applications.

All spare parts and technical support specific to IDM 5196 or 6005 are being discontinued as of the date of this notification. Spare parts common with other product lines remain available however they are subject to availability. Advance life-time supply orders of these are strongly advised.

We regret the inconvenience and impact this notification may cause. ADB Safegate Sales Representatives stand ready to answer any questions you may have or assist you.
