Product Discontinuation Notice

Dear Valued Customer,

*This notice is to inform you that ADB Safegate will discontinue the manufacturing of the remaining IDMAN inset and elevated fixtures, including **2927, 2982, 4661, 4552/4651/5552/5562/5751, 4562/5672/5761, 5848, 6301** & derivatives.*

In accordance with ADB SAFEGATE product discontinuation policy, we are hereby giving notice of these changes so that our customers can adjust their product part number purchasing records, or make any final lifetime purchases of discontinued product(s) to support their operations.

In this notice you can find necessary details about the discontinuation target dates, successor product replacement, spare parts policy and last time buy conditions.

We regret the inconvenience and impact this notice may cause. ADB SAFEGATE Sales Representatives stand ready to answer any questions you may have or assist you with any final orders.

Spare Parts Availability

Spare parts remain available until the end of spare parts support stage on 31 December 2023. After this date only selected key spare parts shall remain available (subject to availability and confirmation upon request).

Last-Time Buy Conditions:

- All purchase orders for last -time buys are non-cancellable and non-returnable.
- For orders for only spare parts, a €150 order minimum is required.
- Leadtime of the spare parts will be confirmed upon order confirmation
- During the final stage of a Spare Part Supply phase ADB Safegate can no longer guarantee full support for the affected products. Spare parts are provided depending on the available inventory; repair and replacement services also depend on component availability.
