# Product Discontinuation Notice

*Dear Valued Customer,*

*This notice is to inform you that ADB SAFEGATE will discontinue the sourcing and supplying of the following airfield light systems: **RELIANCE inset directional Runway and Taxiway light fixtures (excluding HIINT, Approach CL, Approach Siderow, ICAO Threshold, ICAO Threshold/End, Threshold Wingbar).***

*RELIANCE HIINT applications listed above will remain available until RELIANCE 2 HIINT is released. A separate PDN will be issued at a later stage for these light fixtures.*

*In accordance with ADB SAFEGATE product discontinuation policy, we are hereby giving notice of these changes so that our customers can adjust their product part number purchasing records or make any final lifetime purchases of discontinued products to support their operations.*

*In this notice you can find necessary details about the discontinuation target dates, successor products, updated spare parts policy and last time buy conditions.*

*We regret the inconvenience and impact this notice may cause. ADB SAFEGATE Sales Representatives stand ready to answer any questions you may have or assist you with any final orders or alternative solutions.*

## Discontinuation Planning

<b>Product Name</b>	<b>RELIANCE inset</b> – uni- and bi-directional TWY and RWY light fixtures
<b>Reason(s) for Discontinuance</b>	Primarily replaced by AXON, for IQ lights RELIANCE 2 is the replacement.
<b>Last time buy deadline</b>	<b>31 May 2025</b>
	Last day to order complete products from the factory. Also RELIANCE inset Top covers follow this timeline, we want to push for the more durable top covers of AXON/RELIANCE 2  Orders for discontinued products will not be accepted after this date.
<b>End-of-Support deadline</b>	<b>31 May 2030</b>
	Spare parts support stage is offered until 31 <sup>st</sup> of May 2030 for the spare parts remaining available. Bottom cover assemblies including the converter has been replaced by AXON bottom covers except for IQ where RELIANCE 2 bottom cover assemblies should be used.  All spare parts are listed below in the section <i>Spare Parts Availability</i> .  Customers are strongly advised to replenish their stock well before 31 <sup>st</sup> of May 2030. Please keep in mind with decreasing volumes the costs are expected to increase as well.
