

AP3015-RG SmashPad™ FR Welding Mat

FEATURES & BENEFITS

- Helps to alleviate aches and pains associated with kneeling, sitting, leaning, and more during long welding runs
- Foam cushioning provides supportive comfort
- Inherently flame-resistant fiberglass outer shell resists sparks
- Red 32 oz. silicone-coated fiberglass top surface is twice as thick for extra protection against sparks and spatter, with greater tear and abrasion resistance
- Use the SmashPad™ for propping and bracing -- reduces hand and arm fatigue
- Use for padded arm and elbow support and to lean against hot surfaces
- Convenient carry handle and FR hook-and-loop closures
- 16" wide x 19" long (16" x 9.5" when folded)
- Easy to clean; Simply wipe off dirt and grime and dry
- Connect two or more to extend padded surface
