

UB25 Universal Umbrella Ground Spike

FEATURES & BENEFITS

- Black powder-coated steel
- 25" long with 11" below-ground spike that goes deep in soil for more-secure hold
- Easy-insert foot-step provides extra leverage to drive spike into ground - doubles as handle
- Universal bracket with thumb screw tightening allows the spike to be used for the UB200 umbrella or the UB100 umbrella

APPLICATIONS & INDUSTRIES

- Oil & Gas
- Construction
- Electrical Utility
