

Lightweight Pigskin MIG Glove

Lightweight, supple protection in a classic design for MIG welders.

26

Sizes: S, M, L, XL

Pack Quantity	Suggested List	1-59 pr. each	60+ pr. each
6 pairs	\$13.90	\$7.30	\$6.95

SEAMLESS INDEX FINGER®
for excellent
trigger control

KEVLAR® STITCHING
provides greater
protection against
sparks, with better
abrasion resistance

UNLINED PALM
to maintain
finger control

Targeted Applications & Industries

MIG gloves are characterized by their performance balance between protection and dexterity. High dexterity reinforced pigskin, traditional shorter cuff, and unlined palm make this glove a premium choice for all MIG welding applications.

Kevlar® stitching provides greater protection against sparks, with better abrasion resistance and durability

Seamless index finger provides extra dexterity and finger control where it's needed most.
