

Black Stallion® Welder's Tool Bag

Redesigned with large top-opening zippered flap for quick access to gear. Spacious interior fits welding helmet, jacket, gloves, grinder, tools, and more.

GB150

Size: 22"L x 12"W x 16"H

Targeted Applications & Industries

Designed for storage, organization, and transportation of a welder's essential gear, including helmet, jacket, gloves, grinder, tools, and more.

STURDY CARRY HANDLES

provide a durable and secure carry option

ZIPPERED SIDE POCKET

for quick and easy access to small items

PADDED SHOULDER STRAP

for comfortable carry of heavy gear

TOP-OPENING ZIPPERED FLAP
keeps gear secure with easy access

MESH POCKET
holds odd-shaped gear

New top-opening zippered flap keeps your gear safe and secure, while allowing easy access to main compartment and interior pockets
