

MAKE IT LAST.

DS742-AC, UK DURASPIN SCREWDRIVER 110V

10F7002N

With the capability to drive up to 75mm screws this Auto-Feed screwdriver is perfect for the professional general contractor driving a wide variety of screws into many different applications. Drive 25mm screws into drywall on one job and easily switch over to 75mm screws into decking or stair treads on another. Combining the versatility of our patent pending corner-fit feed system and corded all day power you can count on this tool to drive into almost any application.

APPLICATIONS

Decking, decking soft wood, drywall, metal framing, pallets and crates, sheathing, subfloor, wood-to-wood applications, exterior hard fiber to wood or light steel, insulation sheathing, composite timbers, drywall to heavy steel, drywall to light steel, drywall to wood
