MC65-CN METAL CONNECTOR COIL NAILER

16VS2001N

The MC65-CN is a pneumatic compact metal connector nailer that can drive nails ranging in length between 38 and 65mm. Its innovative nosepiece design provides accurate nail placement into pre-punched metal connector holes. This ProSerie metal connector nailer is constructed with durable, high-quality materials while still being lightweighted and ergonomically balanced. The tool has the power to drive into the toughest substrates, including engineered lumber.
