

11VS2001N

The GT50i-AX cordless brad nailer combines power and utility in a well balanced tool capable of completing all your finishing needs. It drives 1,2mm (AX) brads ranging in length from 15mm to 50mm. Perfect for trim work, architrave, dado rails, skirting and any work requiring the freedom of a cordless tool. Built with components that ensure all-day durability and reliability, the ignition system is high voltage for cleaner combustion lowering maintenance requirements. The GT50i-AX comes with 2 Li-ion batteries, battery charger, durable case, service tools, and features a 2-year limited warranty.
