

MAKE IT LAST.

SKSXP-M, MW STAPLER, DUAL

302052N

The pneumatic SKSXP stapler with various variants drives staples ranging in length between 19 and 38mm. This Xtreme Pro stapler is available for use in a wide variety of wood-working applications. It is offered in a series of models that drive 2 different gauges and 3 different crown widths in lengths, virtually maintenance free due to only having two moving O-rings and oil free operation. Combining versatility and quiet operation makes this a stapler you can depend on for the professional craftsmanship job you demand.

APPLICATIONS

Upholstering, moldings, soffits, siding, paneling, cabinets, furnitures
