

MAKE IT LAST.

SMART BOARDMASTER SQS55XP, STAPLER

EJ04000

Experience unparalleled ergonomic excellence with our Smart BoardMaster SQS55XP heavy wire stapler! The adjustable long arm and fixed length short arm are designed to minimize worker fatigue and boost productivity. Our BoardMaster absorbs tool recoil, enabling longer, more comfortable work sessions. Benefit from PLC-driven shooting control with precise 10mm distance adjustments and seamless manual mode switching. Toggle between two pre-set firing distances and achieve perfect fastener depth with stepless depth of drive. Ensure perfect alignment with track and laser guides, and maintain correct spacing with adjustable side guides. Enjoy extended battery life with SENCO's 18V battery platform and prevent dry firing with our last staple blockout feature.

APPLICATIONS

Decking, decking soft wood, hardwood flooring, insulation boards, paneling, sheathing, siding, wood-to-wood applications, baseboard, insulation sheathing, boards, wood construction, particle boards

FEATURES

- Telescopic arm
- Selectable Trigger
- Programmable PLC

TECHNICAL SPECIFICATIONS

Operating temperature	-18 - 49 °C
Oil free	No
Collation type	Glue collated
Dimensions	1283 x 314 x 1173 mm
Net weight	15 kg
Firing mode	Automatic
Magazine capacity	130 pieces
Shots / second	5
Air inlet size	3/8" female
Air consumption at 60 shots/minute	185 l/m
Operating pressure	5 - 8.3 bar
Staple serie	Q staple

IDENTIFICATION

Article number	EJ04000
GTIN	8715274229515
