

## 302084N

The pneumatic SKSXP stapler with various variants drives staples ranging in length between 19 and 38mm. This Xtreme Pro stapler is available for use in a wide variety of wood-working applications. It is offered in a series of models that drive 2 different gauges and 3 different crown widths in lengths, virtually maintenance free due to only having two moving O-rings and oil free operation. Combining versatility and quiet operation makes this a stapler you can depend on for the professional craftsmanship job you demand.
