

MAKE IT LAST.

# S150LS-L, MW STAPLER, RESTRICTIVE

## 952008N

The S150LS is a small but strong narrow crown stapler. It can drive staples from 13 to 38mm in length: perfect for applications like picture frames and craft assembly. The tool is part of the SENCO SemiPro range. Built to our strict standards and offering incredible value for money, the SemiPro range is designed for light-duty, semi-professional and DIY applications. SemiPro tools feature restrictive trigger action for maximum safety and are covered by Senco's 1-Year Warranty. Easy to spot with red caps and distinctive black bodies.
