

REACH Article 33 Declaration

Date: 2019-06-18

Lead

Lead (CAS Number 7439-92-1) was added to the REACH candidate list 2018-06-27.

Examples of articles present in our products containing lead over 1000 ppm:

- Articles made from machining steel, for example fasteners and pistons.
- Articles made from aluminum alloys, such as cylinders, crankcase and flywheels.
- Articles made from copper alloys, such as contact pins and cabling and brass magnet screws.
- Soldering used in some ignition modules and other electronic engine control systems in handheld combustion engine products. Note: phasing out is in progress and this should only occur in rare instances.

Husqvarna Construction is continuously collecting information from our suppliers.

Husqvarna Construction publishes REACH article 33 information on the following site:
