

Quick-Release tank module P3010, 30 cm³

Article number: 0104272

- For vacuum pump P3010.
- Quick release by accumulating and utilising the feed-air pressure as a boost.
- ON/OFF activated simultaneously with the P3010
- Three sizes for optimising release volume with system volume.

Technical data

Description	Unit	Value
Material	-	Al, Nitrile (NBR), PA, PPS, SS
Temperature, max.	°C	50
Temperature, min.	°C	-10
Weight, min.	g	72
Feed pressure, max.	MPa	0.7
Volume (Quick-Release tank.)	cm ³	30
Height	mm	52
Length	mm	16
Width	mm	57.5
Volume, Quick-Release	cm ³	3
