

Low foaming, neutral floor cleaner

Description

TASKI Jontec 300 is a low foaming daily cleaner for water-resistant hard floors and can be used for both manual and machine applications.

Key properties

- pH-neutral
- Blend of different types of surfactants
- Incorporates O.N.T. Odor Neutralizing Technology
- Fast drying time
- Low foaming, fast acting
- Versatile application

Benefits

- Suitable for all types of water resistant hard floors
- Economical cleaning through effective performance at low dosages
- Fast drying time without streaks
- Contains Odor Neutralizing Technology which destroys malodour molecules, leaving a long lasting, fresh fragrance
- Ideal for scrubber driers: low foaming for fast solution pick-up and optimal recovery tank use
- Also suitable for spray cleaning with single disc machines and manual cleaning with a suitable wet mopping system

Use instructions

Machine Method:

1. Dose the product into the full water tank of a single disc machine or a scrubber drier.
2. Allow to act, scrub and remove the soiled solution.

Manual cleaning:

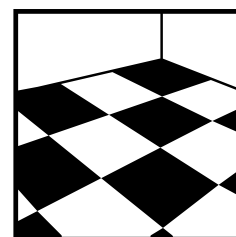

1. **Wet mopping:** Apply the solution onto the floor, allow to act if necessary, and remove the soiled solution.
2. **Dust mopping:** Fill solution into a spray bottle, sparingly spray the solution on to a mop and clean. Clean or replace the mop regularly.

Dosage:

TASKI Jontec 300 needs to be diluted.

Spray cleaning: 25ml (5%) / 500 ml ; Bucket application: 16-25 ml (0,4-0,5%) / 5L ; max. 5% ; Machine application: 40-50ml (0,4-0,5%) / 10L max. 2%

Proper dosage and temperature save costs and minimize environmental impacts.

Technical data

Appearance: Clear, green liquid

pH value (neat): ≈ 9

pH value (in use): ≈ 7.5

Relative density (20°C): $\approx 1.00 \text{ g/cm}^3$

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diversey.com. Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

Product compatibility

Do not use on water-sensitive floors, e.g. unsealed wood.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirement of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.

Available pack sizes

TASKI Jontec 300 is available in 6x1L, 2x5L, 10L and 200L.
