

Soft Care® Silk

Mild handwash

Description

Soft Care Silk is a mild general hand washing product. The product is especially suitable for use at areas where frequent hand washing is required.

Key properties

- Based on a synthetic surfactant system and skin care ingredients
- The effective surfactant system ensures excellent removal of (greasy) soil, emulsification of the removed soil and stabilization of the emulsion
- Contains moisturisers which have skin care effects and is fragranced with a mildly scented perfume
- Can be applied at areas where frequent hand washing is required, such as wash rooms of office buildings and kitchens.
- Formulated in accordance with the European Cosmetics Directive and as such is safe when applied according the directions for use

Benefits

- Excellent cleaning performance
- Mildness tested
- Suitable for frequent handwashing

Use instructions

1. Apply one or two dosages of product on hands.
 2. Wash hands with lukewarm water.
 3. Rinse and dry thoroughly.
- Dry hands are important with respect to good hygiene.
