

LAPĒ Collection Conditioning Shampoo & Body Wash

Oriental Lemon Tea

Description

The LAPĒ Collection blends smoothly into the stylish design and décor of your guest washroom. Supplied in 300ml pump top bottles, the LAPĒ Collection's subtle composition compliments any designer washroom and appeals to both men and women alike. LAPĒ's Oriental Lemon Tea Conditioning Shampoo & Body Wash, with its all-encompassing rich formulation, allows your guests to transform everyday moments into a peaceful luxurious multi-sensory experience - from top to toes. This exceptional product enhances the guest room environment with its gently refreshing fragrance. This mild formulation itself glides smoothly around the body, hydrating the skin as it washes with its moisturising complex and glycerine content. At the same time, the hair care ingredients ensure that the hair feels really soft and supple after use of the product, while the conditioner ensures tangle free hair. Customers will feel pampered by the luxury look, scent and feel of the LAPĒ Collection and will make a pleasant association between their guest experience and your establishment. This product can be positioned alongside LAPĒ's oriental lemon tea hand wash and hand lotion to complete your guest room offer and delight your guests. All three formulations are free from phthalates, parabens and triclosan. Refill bottles are also available to easily top up the 300ml pump top bottles, in situ and without mess. This helps ensure the overall cost to you is kept low whilst every new guest always sees a full personal care solution. And whilst our pump top bottles are fully recyclable, refilling these bottles creates an even more environmentally sustainable solution, becoming one of the most sustainable solutions for the hospitality industry.

Key properties

- Oriental lemon tea fragrance
- Contains a formulated moisturising complex and glycerine
- Mild hair care ingredients to ensure soft hair washing experience
- Versatile formulation with conditioner, shampoo and body wash
- pH-neutral
- Dermatologically tested

- Wall bracket available
- Skin compatibility tested (Patch test)
- Biodegradable and sustainable ingredients

Benefits

- Fragrance release enhances the shower/bath experience with every use
- The unique blend of ingredients gently moisturises the skin to leave it soft and well cared for

LAPĒ Collection Conditioning Shampoo & Body Wash

- PATCH testing has proven the LAPĒ Collection to have “very good” skin compatibility
- Being free from undesired ingredients such as phthalates, parabens and triclosan, the LAPĒ Collection truly cares for your skin.
- The classic style of the LAPĒ Collection suits any designer washroom, blending effortlessly with a wide range of décor.
- Effective cleaning from top to toe: hands, body and hair
- Fully recyclable bottles can have their sustainability profile increased through the use of the refill option. Refilling keeps your overall costs low, reduces waste and enables you to keep your washroom supplies always topped up and looking good.
- By offering LAPĒ’s conditioner shampoo & body wash, together with the hand wash and hand lotion in the same oriental lemon tea scent you can create a distinctive touch across your site that makes your customers feel indulged and cared for
- LAPĒ Collection’s experience can be extended across multiple customer touch points, e.g.: from hotel guestroom and washrooms to wellness/SPA areas
- Lockable wall brackets ensure the LAPĒ Collection remains where you install it; this keeps your washroom tidy and ensures your customers find the product when they need it.

Use instructions

1. Press pump top to dispense the desired amount of product on to hands.
2. Apply to wet hair and skin and massage to form a rich lather.
3. Rinse and dry thoroughly.
