Persil Professional Non-Biological Powder

Tough on stain removal, kind next to skin.

Product description

Non-Biological washing powder

Features

Improved Persil Non-Bio cleans tough stains even in a quick wash. The formulation contains wash booster technology which removes stains like mud and works particularly well on greasy and oily stains on the quicker and cooler programmes of your washing machine – giving you our best ever stain removal, whilst still kind and gentle next to sensitive skin.

Benefits

- Non-Biological action
- Best ever stain removal
- Wash booster technology

Non-Biological action

- Does not contain enzymes
- Outstanding results even at 15°C
- Dermatologically tested, suitable for sensitive skin
- Contains bleach and brightening agents to help keep whites white
- Suitable for both whites and colours. For best protection of coloured articles, use Persil Colour.

Pro Formula
