Persil Professional Non Bio

Strong stain removal with high performance ingredients, gentle next to sensitive skin

Description

Persil Non Bio cleans tough stains even in a quick wash. The formulation contains wash booster technology which works particularly well on greasy and oily stains and also with quicker and cooler programmes. Its formula is dermatologically tested and approved by the British skin foundation and is kind next to sensitive skin. It also contains bleach and brightening agents to help keep whites white for longer.

Benefits

- Effective on tough stains, including oil and grease.
- Non-Biological action: does not contain enzymes.
- Dermatologically tested: gentle on sensitive skin.
- Suitable for both white and coloured fabrics.
