

LAPĒ Collection Hand & Body Lotion

Oriental Lemon Tea

Description

The LAPĒ Collection adds a touch of class to your guest washroom. Supplied in 300 ml pump top bottles, the LAPĒ Collection's subtle composition compliments any designer washroom and appeals to both men and women alike. LAPĒ's oriental lemon tea hand and body lotion reconditions the skin, leaving it feeling smooth and soft after use. Only a small amount is required to cover hands, rubbing quickly and easily in to skin. LAPĒ's oriental lemon tea hand and body lotion enhances the washroom environment by releasing a gently refreshing scent in to the air whenever used. The fragrance lingers on skin after use, providing the user repeated, gentle reminders of their hand care experience. Customers will feel pampered by the luxury look, scent and feel of the LAPĒ Collection and will make a pleasant association between their guest experience and your establishment. LAPĒ's oriental lemon tea hand and body lotion can be paired with the LAPĒ Collection oriental lemon tea hand wash to complete your washroom offer and delight your customers. Both formulations are free from phthalates, parabens and triclosan. The LAPĒ Collection hand and body lotions are refillable. The refill packs allow you to top up the 300 ml bottles in situ, without spilling or creating mess. The refill option ensures the overall cost to you is kept low whilst your guests always see a full hand lotion solution. And whilst our pump top bottles are fully recyclable, refilling these bottles creates an even more environmentally sustainable solution.

Key properties

- Oriental lemon tea fragrance
- Contains skin reconditioning ingredients
- Safe and sustainable ingredients
- Contemporary bottle design
- Refillable and recyclable
- Can be partnered with LAPĒ's oriental lemon tea hand wash
- Wall bracket available
- Biodegradable and ethically sourced
- Skin compatibility tested (Patch test)

Benefits

- Fragrance release enhances the shower/bath experience with every use and lingers on skin for repeated reminders of refreshing scent.
- The unique blend of ingredients gently moisturises the hands to leave it soft and well cared for.
- PATCH testing has proven the LAPĒ Collection to have "very good" skin compatibility.
- Being free from undesired ingredients such as phthalates, parabens and triclosan, the LAPĒ Collection truly cares for your skin.
- The classic style of the LAPĒ Collection suits any designer washroom, blending effortlessly with a wide range of décor.

LAPĒ Collection Hand & Body Lotion

- Fully recyclable bottles can have their sustainability profile increased through the use of the refill option. Refilling keeps your overall costs low, reduces waste and enables you to keep your washroom supplies always topped up and looking good.
- By offering a hand wash and hand lotion in the same oriental lemon tea scent you can create a complete washroom offer that makes your customers feel indulged and cared for.
- LAPĒ Collection's experience can be extended across multiple customer touch points, e.g.: from hotel guestroom and washrooms to wellness/SPA areas.
- Lockable wall brackets ensure the LAPĒ Collection remains where you install it; keeping your washroom tidy and ensuring your customers find the product when they need it.

Use instructions

1. Press pump top to dispense a small amount of product on to clean, dry hands.
2. Rub in well, over hands, between fingers and areas which are particularly dry.
