⚠ Caution

Keep children and pets away from this product.
In homes with small children, the wagon may tip over or items may fall, which could cause injury.
Always use under adult supervision.

Important

- Always place items in the steel wagon before use (recommended load: approx. 5 kg).
Using the wagon while empty may cause it to tip over.
- After installation, make sure the wagon is stable before use.
- Do not change or replace the contents of the school bag while it is hanging on the hook.
